Maggie cried out with ecstasy as her body flooded over Gant's shaft, and he growled at the sensation. Instantly he started moving, his thrusts short and hard, making her release last forever, and then she peaked again. It was rough, and he fit tight inside her as she bounced with his efforts. Her breasts were heavy against his chest and her nipples rubbed enticingly up and down on his skin. He moved faster, his thrusts deeper, and Maggie nearly swallowed her tongue as the next wave crashed over her. Still, Gant increased the speed and pressure, delving deeper, and she clutched at his shoulders, the hot, maddening motions keeping Maggie soaring.
