Leadership and Change Management

Annabel Beerel

Leadership and Change Management Annabel Beerel

Leadership and Change Management provides the reader with a practical, real-world understanding of several dimensions of leadership that are usually neglected in management textbooks, such as the nature of new realities and how managers can improve their insight into them, and how leaders can identify and overcome resistance to change. Drawing on a wide range of insightful, global real-life case studies to capture the imagination, the topics covered include critical systems thinking, philosophies of leadership, group dynamics, authority, ethics, personal character and the psychology of leadership.
