He is the secret son of Merlin... separated from his true family by time and secrets, heir to a magic that belongs in a shining moment when the earth was good, green, and perfect, when there was a place called Camelot...

Truan Monroe was raised on an isle in the Irish sea, but there is a secret side: he is also a deadly warrior and sorcerer of awesome powers. Now, a startling vision of the past sends him through a doorway in time to a place of mists and castles where knights meet at a round table and where a legendary magician called Merlin once lived...

Bound to Truan's fate by shimmering threads of time is Amber, a young woman of luminescent beauty. They have met and loved before in another time, another place. But she is drawn into a battle between the powers of the Light and Darkness in a cruel trap that could separate them forever unless a miracle brings together a father and son who must join their powers to save a kingdom and Truan's lost love.
