**Morality Play (Norton Paperback Fiction)** Barry Unsworth

**The national bestseller: A medieval murder mystery full of the wonders of the time?and lessons for our own time?by a master storyteller.**

The time is the fourteenth century. The place is a small town in rural England, and the setting a snow-laden winter. A small troupe of actors accompanied by Nicholas Barber, a young renegade priest, prepare to play the drama of their lives. Breaking the longstanding tradition of only performing religious plays, the groups leader, Martin, wants them to enact the murder that is foremost in the townspeoples minds. A young boy has been found dead, and a mute-and-deaf girl has been arrested and stands to be hanged for the murder. As members of the troupe delve deeper into the circumstances of the murder, they find themselves entering a political and class feud that may undo them. Intriguing and suspenseful, *Morality Play* is an exquisite work that captivates by its power, while opening up the distant past as new to the reader.
