Our Social World: Introduction to Sociology Jeanne H. Ballantine, Keith A. Roberts

The most innovative introduction to Sociology in a generation presents a coherent essay that inspires students to develop their sociological imaginations: to see the world and personal events from a new perspective, and to confront sociological issues on a day-to-day basis. This engaging text introduces the discipline of sociology to the contemporary student and provides an integrated, comprehensible framework from which to view the world. In each chapter, authors Jeanne H. Ballantine and Keith A. Roberts provide an organizing theme that is not exclusively tied to one theoretical paradigm to help students see relationships between topics. **Our Social World** presents the perspective of students living in the larger global world.
