A coloring book that illustrates Pride and Prejudice by Jane Austen. We have combined cartoon characters and animals with black and white photographic backgrounds and props. The "colorer" breathes life into lavish estate homes and sublime countrysides. Some pages have incredible detail, like a field of wildflowers or a wall covered with paintings. This book will take you some time. It will be a challenge. Prepare to be surprised by some of the half hidden little things (or critters) only the colorer will find because they're looking so intently. The end result will be a book of 30 paintings that tell a story. Each page will delight and/or amuse the viewer. You can go to [ucolorclassics.com](http://ucolorclassics.com) to see how one person colored the book. The half colored cover is printed on matte paper so you can finish coloring it yourself. When you're done there's a space on the cover where you can sign your artwork, because you WILL be proud of it.
