Rightly Dividing the Word: Unlocking the Hidden Mysteries of the Bible Ira Milligan

Natural *and* Spiritual

“Christians cannot walk in blind obedience and please God. He wants us to understand His ways and joyfully fulfill His will.”

Well-known author and teacher Ira Milligan expertly shares how the Bible is divided into two parts: the *natural*, God’s purposes revealed through the history of the Jewish nation, and the *spiritual*, or God’s purposes fulfilled in Jesus Christ.

Rightly Dividing the Word emphasizes the importance of understanding God’s Word from both the natural and the spiritual perspectives. After years of Bible study and teaching, this handbook is filled with lessons on a variety of topics, including:

- Why God uses parables.
- The Old versus the New Covenant.
- The baptism of the Holy Spirit.
- Not mixing law with grace, and many others.

The Old Testament and the Gospels have three levels of interpretation: historical, Christological and prophetic. Because Christ is fully revealed in the New Testament, the Epistles have only two levels, the historical and the prophetic. Much is lost when Christians only see and study the Scriptures from the historical vintage point. *Rightly Dividing the Word* reveals these hidden treasures to the discerning student.

You will hear God for yourself through prophecy, dreams, and visions as revealed through the lessons learned in *Rightly Dividing the Word*.
