Sinful Desires Vol. 5 M. S. Parker

The steamy conclusion to the best selling Sinful Desires series. Who will be Pipers HEA? Reed, Julien or will she settle for her true passion, dancing?

What was wrong with me? When Reed showed up at my house and said that his marriage was over, I should've been thrilled. So why was I thinking that maybe he wasn't what I wanted after all?

When handsome and rich Reed Stirling says he's giving up everything to be with Piper, she knows that this should be everything she's ever wanted. But something is holding her back, and she's pretty sure it isn't just her justifiable trust issues with men.

Former Vegas stripper Piper Black is torn between what she's always thought she wanted and something new that she'll have to fight for. Will she be able to figure out what her heart truly wants, or will she lose everything?

Don't miss this final steamy installment to M.S. Parker's Sinful Desires series.
