Daemonologie (Illustrated) King of England James I

This book is an illustrated version of the original Daemonologie by King of England James I. "I haue put it in forme of a Dialogue, which I haue diuided into three bookes: The first speaking of Magie in general, and Necromancie in special. The second of Sorcerie and Witch-craft: and the thirde, conteines a discourse of all these kindes of spirits, & Spectres that appeares & trobles persones: together with a conclusion of the whol work. My intention in this labour, is only to proue two things, as I haue alreadie said: the one, that such diuelish artes haue bene and are. The other, what exact trial and seuere punishment they merite: & therefore reason I, what kinde of things are possible to be performed in these arts, & by what naturall causes they may be, not that I touch every particular thing of the Deuils power, for that were infinite: but onelie, to speak scholasticklie, (since this can not bee spoken in our language) I reason vpon genus leauing species, and differentia to be comprehended therein."
