Rogue Warrior: Task Force Blue John Weisman

AS A U.S. NAVY SEAL, RICHARD MARCINKO KNEW NO LIMITS-- AS THE ROGUE WARRIOR, HE OBEYS NO RULES! SpecWar: deep-cover commando operations conducted with absolute secrecy and total ruthlessness by the world's most deadly counterterrorist units. No one knows SpecWar better than Richard Marcinko, and he's proven it time and again. The revelations in his #1 New York Times bestselling autobiography, "Rogue Warrior", brought real-life SpecWar combat out in the open. But, bound by government restrictions on classified information, there was only one way to tell the whole story: fiction. After two more explosive New York Times bestsellers-- "Rogue Warrior: Red Cell" and "Rogue Warrior: Green Team"-- the Rogue Warrior returns in a raw, authentic novel of terrorism striking at the heart of the American government and military... Moving slowly, steadily across the tarmac through the driving Florida rain, the Rogue Warrior and his team of SEALs have been called into action. Mission: storm a hijacked 727 sitting on a Key West airstrip and rescue the Secretary of the Navy. In a flash of high-tech explosives and automatic gunfire, a hostage is killed -- and Marcinko will be the one to pay. Facing a court martial and permanent removal from the Navy, the Rogue Warrior has one more call to answer, from an ultrasecret operative inside the Defense Intelligence Agency (DIA). America's worst nightmare has become a reality. The hijackers' roots run deep in U.S. soil: Americans willing to kill Americans to create a government in their own fanatical image. The Pentagon's security has been breached: the arsenal of democracy raided. The DIA needs someone to eradicate the terrorist infrastructure, circumventing the Navy and the FBI. They need Marcinko and his elite SEAL contingent, Task Force Blue. Inspired and funded by a politically motivated independent billionaire, the enemy has become a force of right-wing militias and extremists, radical drug gangs, and fundamentalist terrorists-- but they have yet to face an adversary like the Rogue Warrior. Accused of murder and pursued by the FBI, operating underground to maneuver through a political, military, and bureaucratic minefield, the Rogue Warrior is right where he wants to be. And, faithful to his ultimate Commandment of SpecWar, there are no rules-- Marcinko will win at all costs.
