**Warning: A walk in the woods can be healthier than you expect. As long as you get discovered by a pack of horny werewolves looking to fuck you until your heart is racing and the sweat is dripping from you brow...**

Out for a walk in the woods, Megan soon loses her way and is forced to call for help. Unsure what to expect, she was still taken by surprise to find that her rescuers were a small pack of **hot alpha werewolves**. There's only two of them, at first, and before long the **innocent and naive girl** agrees to their advances in return for vague promises of help.

The strong bodies of the half-men drive Megan wild, but she's still ready to go home once they're done. The wolves have other plans, though, and as more sexy beasts begin to emerge from the forest, she realizes they aren't such a small pack after all.

Megan is soon wondering if she'll ever see home again... and whether she even wants to?
