The Cloud of Knowable Things

Elaine Equi

The Cloud of Knowable Things Elaine Equi

"Friend to objects, saints and dead celebrities alike, Elaine Equi is the real McCoy: a keeper of the sacred flame of language-joy. Her work re-alerts us to our earliest love of words as toys, jewels, confections. In doing so she juices up our thinking. What's better than writing that delights as it sharpens the mind? You've heard of 'smart drinks' or 'smart drugs,' said to chemically boost intellect? These are truly smart poems."—Amy Gerstler, *L.A. Weekly*

Elaine Equi is the author of many books, including *Voice-Over*, which won the San Francisco State Poetry Award. Widely anthologized, her poems appear in *Postmodern American Poetry: A Norton Anthology* and *The Best American Poetry* for the years 1989, 1995, and 2002. She lives in New York City.
