**East of the Sun and West of the Moon: Old Tales From the North (Classic Reprint)** Kay Nielsen

Excerpt from East of the Sun and West of the Moon: Old Tales From the North

A Folk-Tale, in its primitive plainness of word and entire absence of complexity in thought, is peculiarly sensitive and susceptible to the touch of stranger hands; and he who has been able to acquaint himself with the Norske Folkeeventyr of Asbjornsen and Moe (from which these stories are selected), has an advantage over the reader of an English rendering. Of this advantage Mr. Kay Nielsen has fully availed himself: and the exquisite bizarrerie of his drawings aptly expresses the innermost significance of the old-world, old-wives' fables. For to term these legends, Nursery Tales, would be to curtail them, by nine-tenths, of their interest. They are the romances of the childhood of Nations: they are the never-failing springs of sentiment, of sensation, of heroic example, from which primeval peoples drank their fill at will.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
