## **Nursies When the Sun Shines** Katherine C. Havener

Nursies When the Sun Shines is a godsend to parents of nursing toddlers, exhausted from late night wakings for milk. Beautiful watercolor illustrations and a sweet, lulling verse help young children understand the concept of night and day. Night time, the book explains, is for sleeping. "Nursies," on the other hand, happen when the sun shines. In Nursies, a toussle-haired toddler is snuggled up in bed with mom and dad, ready to go to sleep for the night, the family's grey striped cat snoozing soundly at their feet. When the toddler wakes at night for "nursies," mom shows her baby that it's dark outside, and assures baby that she'll have nursies when the sun shines. Later, with brilliant sun streaming through the window, the toddler knows it's time for nursies. The book closes with a heart-warming illustration of a nursing family: the toddler, nuzzled up to mama's breast, daddy kissing toddler's head, and even the family cat purring a love song. Nursies is a groundbreaking children's book, the first-ever to focus on night weaning. Its goal is to facilitate communication between parent and young child, thereby making the process of night weaning as gentle and easy as possible.

When you read this Nursies When the Sun Shines, you may tells your family, friends and also soon about yours e-book. Your knowledge can inspire different ones, make them reading a e-book.

#### **Gloria Wells:**

People live in this new time of lifestyle always try to and must have the free time or they will get wide range of stress from both daily life and work. So , when we ask do people have spare time, we will say absolutely sure. People is human not really a huge robot. Then we ask again, what kind of activity do you have when the spare time coming to you of course your answer will unlimited right. Then ever try this one, reading books. It can be your alternative inside spending your spare time, the actual book you have read is definitely Nursies When the Sun Shines.

#### **John Hill:**

Playing with family in the park, coming to see the marine world or hanging out with friends is thing that usually you will have done when you have spare time, then why you don't try matter that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Nursies When the Sun Shines, you are able to enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout guys. What? Still don't understand it, oh come on its called reading friends.
