Principles of European Law: Volume 1: Benevolent Intervention in Another's Affairs (European Civil Code) (v. 1) Christian Von Bar

The research conducted by the Study Group on a European Civil Code seeks to advance the process of Europeanisation of private law by drafting a set of common European principles which are especially relevant for the functioning of the common market. The aim is the creation of a European Civil Code, or a Common Frame of Reference, to furnish each of the national jurisdictions a framework of rules of private international law.
