The Art of the Rifle: Color Edition Softcover Jeff Cooper

Pick up a rifle and you change instantly from a subject to a citizen, says author Jeff Cooper. That is especially true now with fresh assaults on our freedoms and liberty from foreign and domestic sources. But before a rifle can be a tool of power, you must know how to use it well.

Armed forces have almost abandoned the idea of serious riflecraft, and with the increasing urbanization of the world, fewer people grow up honing their rifle skills. It is time to set forth the art of the rifle before it becomes a thing of the past and something very important is lost forever. And what better person to do this than Jeff Cooper? He is America's foremost rifle instructor, the founder of Gunsite Ranch and the International Pistol Institute and the author of several classic books.

In this special color edition, Jeff includes a new introduction and a new chapter on the Scout, as well as bringing you up to date on everything you need to know about the rifle, whether you intend to use it for securing meat, destroying enemies on the battlefield, protecting yourself and your family, shooting targets or resisting tyranny. He also entertains you with rousing tales of marksmanship, combat and big-game hunting all over the world. This is a book that you will treasure for years to come from America's most esteemed firearms master.

From reader reviews:

Ernest Pettaway:

As people who live in often the modest era should be update about what going on or info even knowledge to make these people keep up with the era which can be always change and advance. Some of you maybe may update themselves by studying books. It is a good choice for you personally but the problems coming to an individual is you don't know what type you should start with. This The Art of the Rifle: Color Edition Softcover is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and want in this era.

Katrina White:

Spent a free time to be fun activity to try and do! A lot of people spent their free time with their family, or their own friends. Usually they carrying out activity like watching television, likely to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Can be reading a book is usually option to fill your totally free time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to consider look for book, may be the reserve untitled The Art of the Rifle: Color Edition Softcover can be fine book to read. May be it may be best activity to you.

Felicia Sharpton:

Exactly why? Because this The Art of the Rifle: Color Edition Softcover is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret it inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book include such as help improving your expertise and your critical thinking technique. So , still want to postpone having that book? If I were you I will go to the e-book store hurriedly.

Philip Martin:

Many people spending their period by playing outside having friends, fun activity with family or just watching TV all day every day. You can have new activity to enjoy your whole day by looking at a book. Ugh, do you consider reading a book can really hard because you have to accept the book everywhere? It okay you can have the e-book, having everywhere you want in your Smart phone. Like The Art of the Rifle: Color Edition Softcover which is obtaining the e-book version. So , why not try out this book? Let's notice.
