Bullying in schools is a growing community concern. We now know that continued bullying at school can damage both the physical and mental health of vulnerable children. This can lead to a severe loss of self-esteem, increased anxiety, and difficulty in forming trusting relationships.

This practical and research-based book helps teachers appreciate the actions they can take to stop bullying. This book will help teachers

- find out what is really happening in their school;
- develop sound and well-supported anti-bullying policy;
- work effectively with children in classrooms to gain their support in dealing with bullying;
- deal appropriately and constructively with children who bully;
- support and help children who are victimized by peers at school.

Teachers will find reproducible activities that help students recognize and effectively deal with a variety of issues related to bullying.

This remarkable book will help teachers work with colleagues and parents to make schools safer places for all.
