**The Black Knight of Avalon (The Black Knight of Avalon Chronicles) (Volume 3)** Sunbow Pendragon

When one thinks of the story of Camelot, the immediate thoughts are those of King Arthur, Queen Guinevere, Sir Lancelot and all of the Knights of the Round Table. One barely considers the many trials of the champions of Camelot, hardly wondering how the heroes were chosen and tested for their bravery and adherence to the ideals of Arthur. This tale is designed to answer those questions. The character of the Black Knight's story has never been truly told; to many he is a mysterious and evil man, who appears at various moments in the story, always to administer a lesson in chivalry. The story of Camelot is told in a fresh and clear manner, through the eyes of the Champion of Avalon. One begins to understand, as the story progresses, how Arthur's kingdom faced and conquered the many threats of intrigue that threatened the Kingdom of Light. One sees behind the scenes as the Black Knight travels the length and breadth of Britain, seeking out both highborn and common traitors, eliminating them in the Goddess' name. This story explores how the Black Knight of Avalon came to be.
