People and Nature: An Introduction to Human Ecological Relations

Emilio F. Moran

People and Nature: An Introduction to Human Ecological Relations Emilio F. Moran

This book provides a lively and thoughtful introduction to ecological anthropology by examining the evolving relations between human communities and nature.

- Written by a noted anthropologist, geographer, and environmental scientist.
- Reviews the evolution of human interactions with the natural world---drawing from anthropology and geography.
- Explores those aspects of human ecological relations that seem to account for the greater connectedness of certain societies to their physical environment.
- Offers a vision for improved relations between humans and nature.
