Rheumatology and the Kidney (Oxford Clinical Nephrology Series) Dwomoa Adu, Paul Emery, Michael Madaio

Covering all aspects of the many rheumatologic disorders associated with renal disease, including pathogenesis, clinical features and treatment, *Rheumatology and the Kidney* brings together the available information in an accessible and practical way, with a particular focus on evidence-based patient management. Part of the Oxford Clinical Nephrology Series, and featuring chapters from a team of international experts, this new edition has been completely updated since publication of the first edition in 2001 and now contains more tables and figures to make the information more accessible.
