Art deco has long been associated with uncompromising style and sophistication, and this guide to re-creating the sassy, controversial styles of the 1920s and 1930s offers a glimpse back at the hairstyles of this era. The instructions needed to replicate these fashions on the modern woman—from the controversial bob of the Roaring Twenties flapper to the luxurious finger waves of Hollywood’s early screen stars—are provided, and the techniques behind Marcel and water waves, the simple bob, Eton and shingle cuts, and many more are also included. Hundreds of vintage illustrations, photographs, step-by-step instructions, and diagrams illuminate the history of the hairstyles that laid the groundwork of style for the modern American woman.
