How to Talk to Your Animals Jean Craighead George

Our pets speak to us in a language all their own, if only we stop to listen

Can animals really talk? In *How to Talk to Your Animals*, Jean Craighead George turns her attention away from animals in the wild to those in our homes in this practical look at the ways our pets speak to us. Based upon the work of contemporary naturalists, psychologists, and zoologists, George explains the sometimes eerie phenomenon of unspoken communication observed by many pet owners, as well as the signals that our animal companions use to decide whether humans are friend or foe. Filled with loving stories of real animals “talking” to humans, this book will warm the heart of anyone who has ever loved an animal.

This ebook features an illustrated biography of Jean Craighead George, including rare photos from the author’s personal collection.
