In the Hands of a Baker

The Culinary Institute of America (CIA)

In the Hands of a Baker The Culinary Institute of America (CIA)

A must-have guide for successful bakery and pastry operations

In the Hands of a Baker from The Culinary Institute of America helps bakers and pastry chefs identify, understand, and utilize the tools and equipment needed for successful professional baking. This indispensable book provides in-depth information on how to choose the best equipment for any baking job—from scaling and measuring tools to cutting and confectionery tools, and from small appliances to bakeware and beyond—along with proper techniques for handling and maintaining that equipment. The text also covers basic and specialized tools for every area of expertise in the craft, including baking bread, making chocolates and candies, and creating cakes and pastries. Chapters range from organizing a station to understanding the differences between home and professional equipment. This valuable resource also features step-by-step instructions with supporting photography and illustrations throughout—all in one affordable package.

- A perfect pastry kitchen companion, this title provides guidance on purchasing the correct equipment, organizing a workstation, and proper care and cleaning of all types of baking tools

From reader reviews:

Becky Pope:

Book is usually written, printed, or outlined for everything. You can recognize everything you want by a publication. Book has a different type. As it is known to us that book is important point to bring us around the world. Close to that you can your reading ability was fluently. A book In the Hands of a Baker will make you to end up being smarter. You can feel considerably more confidence if you can know about everything. But some of you think which open or reading a book make you bored. It's not make you fun. Why they could be thought like that? Have you searching for best book or ideal book with you?

Betty Edmond:

This In the Hands of a Baker book is just not ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book will be information inside this e-book incredible fresh, you will get information which is getting deeper you actually read a lot of information you will get. This kind of In the Hands of a Baker without we comprehend teach the one who reading through it become critical in contemplating and analyzing. Don't always be worry In the Hands of a Baker can bring when you are and not make your bag space or bookshelves' turn out to be full because you can have it in the lovely laptop even telephone. This In the Hands of a Baker having very good arrangement in word and also layout, so you will not experience uninterested in reading.

Rhonda Silva:

Reading a book to become new life style in this season; every people loves to study a book. When you study a book you can get a lots of benefit. When you read publications, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your examine, you can read education books, but if you act like you want to entertain yourself read a fiction books, these us novel, comics, along with soon. The In the Hands of a Baker provide you with a new experience in studying a book.

Daniel Bryant:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this In the Hands of a Baker can make you experience more interested to read.
