**Deborah Young:**

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see

colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this [(Optical Waves in Layered Media)] [Author: Pochi Yeh] published on (March, 2007) can make you feel more interested to read.
