The finz Multistate Method is the indispensable tool for both law school exams and the Multistate Bar Exam. The book includes:

- Each question contains a sophisticated and intricate fact pattern that tests your ability to pull out the essential facts and tie them to the rules and theories you've learned in class. Each answer not only explains the reasoning behind the correct choice, but also why the other choices are incorrect

- The book contains over 140 questions each on Constitutional Law, Contracts, Criminal Law, Property, and Torts, as well as questions on the upper-year subject of Evidence

- Every question is written in the Multistate Bar Exam style and format for school exams on MBE preparation. If you're taking a bar review course, you still need The finz Multistate Method; our questions are written in the MBE style and format, but are not actual released exam questions, so we guarantee you've never seen these questions before in your MBE review materials

- The book includes a 21-page guide to handling MBE-style multiple-choice questions- how to break the question down to the essential facts, how to recognize the legal issues, how to avoid the examiners' traps and pitfalls, and how to pick the right answer and avoid being misled by the wrong answers.

**Complete MBE-style practice exam:** The book comes with The finz Multistate Method, has written and lectured for BAR/BRI and PMBR and is the author of *Professor Series on Products Liability* and *Professor Series on Torts*, both published by Aspen Publishers.
