The Fated Date Agency closed its doors just days before Zack turned eighteen. Completely alone in the world, the young shifter craves the love that only a mate can provide. He vows to do whatever it takes to find his omega – including tracking down the agency's owner across the globe.

But Praya can't help this time. She already matched every alpha and omega in the country, and Zack's mate isn't on file. If Zack wants to find love and start a family, he'll have to embark on an epic quest that will take years and span continents.

When all hope seems lost, will the stubborn alpha manage to find his omega? And if he does, will his mate be everything he expected?
