I Curse the River of Time: A Novel Per Petterson

A NEW YORK TIMES BOOK REVIEW NOTABLE BOOK OF THE YEAR

It's 1989 and "three monumental events twine around one another in Arvid Jansen's penumbral soul. His fifteen-year marriage is dissolving, his mother is dying of cancer, and the Berlin Wall is tumbling down. The parallels are obvious?worlds are ending, internally and externally?but the analogies Petterson draws among these dramatic endings are not....*I Curse the River of Time* is a little like the starker reaches of the West, a little like the stonier shores of Maine, a little like Edward Hopper, a little like Raymond Carver....There is a quality that I can only call charm, or something like charm, to Petterson's essentially dark and lonely sensibility....It exerts a gravitational pull on the reader" (Stacey D'Erasco, *The New York Times Book Review*).

From reader reviews:

Jeffrey Brown:

In this 21st one hundred year, people become competitive in every way. By being competitive at this point, people have to do something to make these people survive, being in the middle of typically the crowded place and notice by surrounding. One thing that at times many people have underestimated that for a while is reading. Yeah, by reading a guide your ability to survive improve then having chance to stand than other is high. For you personally who want to start reading any book, we give you this kind of I Curse the River of Time: A Novel book as beginning and daily reading publication. Why, because this book is more than just a book.

Emma Berkey:

The actual book I Curse the River of Time: A Novel has a lot associated with on it. So when you read this book you can get a lot of help. The book was written by the very famous author. McDougal makes some research ahead of writing this book. That book very easy to read you may get the point easily after looking over this book.

Sandra Jordon:

Many people spending their time by playing outside along with friends, fun activity together with family or just watching TV the whole day. You can have new activity to invest your whole day by looking at a book. Ugh, do you consider reading a book can definitely hard because you have to accept the book everywhere? It's ok you can have the e-book, bringing everywhere you want in your Cell phone. Like I Curse the River of Time: A Novel which is having the e-book version. So, try out this book? Let's notice.

Courtney Osteen:

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just small students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this I Curse the River of Time: A Novel can make you truly feel more interested to read.
