For many business problems, excellent solutions already exist. We participated in this development process and learned from experienced people. But knowledge about cognos has been like a patchwork. Only a few sites and communities exist, and most experience has been gained by intuition and trial and error. Every novice has to go the hard way and build solid knowledge from various more or less trustworthy sources. It often takes years to become an expert. We have felt this ourselves: to train our colleagues in the secrets of cognos tm1 takes time and effort.
