The House on an Irish Hillside: When you know where you've come from, you can see where you're going Felicity Hayes-McCoy

'From the moment I crossed the mountain I fell in love. With the place, which was more beautiful than any place I'd ever seen. With the people I met there. And with a way of looking at life that was deeper, richer and wiser than any I'd known before. When I left I dreamt of clouds on the mountain. I kept going back.'

We all lead very busy lives and sometimes it's hard to find the time to be the people we want to be.

Twelve years ago Felicity Hayes-McCoy left the hectic pace of the city and returned to Ireland to make a new life in a remarkable house on the stunning Dingle peninsula.

Beautifully written, this is a life-affirming tale of rediscovering lost values and being reminded of the things that really matter.
