PAIN is identified as the powerful anointed in neutral. How can promotion come if I am in neutral? The answer to the question is easy. In order for God to perfect something or someone who is out of order or unstable, he must neutralize it in order to align it accordingly. Therefore being in neutral is the same as taking a praise break to thank God for where you are heading. You cannot take the season of being still and slow as a failure or a demotion, but it is a season to catch your breath for where He is about to take you. The position of neutral does not diminish our power or anointing.
