When Colton De Marco stumbles onto Lila Walker sunbathing in the nude, he can't turn down the chance to make a decade of fantasies about the older woman come true.

Lila finds her younger mechanic a welcome distraction from her unpaid bills, her faraway son, and her too-close mother-in-law. Lila can handle their friends-with-benefits arrangement, but when Colton pressures her to attend his nephew's baseball games, she knows the entire town will talk. After all, her husband's only been dead nine months. What's a lonely widow to do when Colton won't take no for an answer? Give the town something to talk about, of course.
