Once burned...

Finding my fiancée naked on my couch might've been a good thing, if her ex-boyfriend hadn't been with her. For the past eight years I've been a witness to the power of true love, but after getting burned I'd decided there wasn't any hope for me finding it for myself. Until I met Noelle Brandt in a hotel bar. Maybe it wasn't the most romantic meeting, but the moment I met her I knew I had to have her. The more I learn about her, the more I know I'll do whatever it takes to keep her.

Twice shy...

I'd already found the love of my life, but I'd lost that love forever. And I'd been lost ever since. But one night a wounded man makes all of that go away. He makes me laugh, live, and feel alive. When he tells me he has no intention of letting me go, I finally begin to believe in the power of true love again. That is, until I find out who he really is...and by then, it's far too late to correct the mistakes we've already made. By the time we both know the truth, the lines have already been blurred beyond recognition.
