Hedge Fund Grannies Gerard A. Herlihy

Hedge Fund Grannies is a fast-paced, entertaining and enlightening novel about the inner workings of our financial markets and the causes of market booms, bubbles and busts.

Barely recovering from the last financial crisis, homeowners in a bustling commuting town outside New York City get incredibly lucky. They find themselves each owning a small piece of a suddenly valuable commodity growing on their front lawns. It's not long before a parade of bankers, traders, hedge funds, brokers, short sellers, ETF's, foreign governments and big institutions join the quest to profit from this potentially disruptive biotechnology. The cable news network and social media cannot get enough of this story.

From the booths at Ben's Deli, follow the fortunes, misfortunes, witty commentary and general antics of the town locals each morning before they head to work. How does Allie, town sweetheart, financially survive following the ill-timed purchase of a home improvement business? Can Gilbert and friends cash in on a shady real estate transaction? How do Auntie Ev and her Grannie friends hedge their holdings? Does penny broker Averill go legit and stop peddling snake oil stocks? Will Misty find true love AND a rich husband?

This entertaining novel is a primer on Wall Street in the 21st century, and also provides valuable lessons on understanding what causes markets to become overvalued.

So you can see the represented of the world on this book.

Denise Niemi:

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Hedge Fund Grannies can make you sense more interested to read.
