Martial Arts History Museum: The Story of How the Museum Began Michael Matsuda

The Martial Arts History Museum is the first, and only museum of its kind in the world. It is not a who's who of the martial arts, rather, it is an educational facility revealing how Asian history became part of American history. It is an insight into culture, tradition and history. The book provides an in-depth look at how the museum began, the 12-year they took and the roadblocks they faced along the way. This is a unique way to get acquainted with the museum, its founder and how they gathered the martial arts world together to launch a museum dedicated to the martial arts. You will enjoy this journey and I assure you, you will finish this book quickly because it is so compelling.
