In the film version of the life of the Unsinkable Molly Brown," she is rescued from the Colorado River and raised in the Rocky Mountains, but the actual Margaret Tobin Brown was born and raised in Hannibal, Missouri. Her formative years took place in the town's Gilded Age; the railroad brought in lumber barons, and as the wealth of Hannibal grew, so too did the dreams of young Margaret. Even though her future career as a philanthropist and socialite would span continents and she would become famous for surviving the sinking of the "Titanic," Molly Brown was always proud to be from Hannibal."
