S.Leon Levy

This new revised edition of *The Life and Times of Nassau W. Senior* (1943), is a biography of the "tutor general of the Whigs" tracing the development of Senior's many-faceted career, his contemporaries and his influence--especially in the role of adviser to government commissions--based on the author's discovery of a large quantity of hitherto unknown Senior manuscripts. The appendix contains reports, correspondence and lectures which provide insight into the development of Senior's thought on social and economic topics.

"Levy's biography ... makes absorbing reading." M. Blaug *Economic Theory in Retrospect*
