The majority of people do not understand the true nature of God. Many today have an incorrect and twisted opinion of who God is, what He is like, and His reasons for things happening.

The enemy has worked overtime for centuries speaking lies into the hearts of people about the true character of God. Words of lies have become beliefs and strongholds in the minds of many. These beliefs sadly keep many away from discovering that He is in actual fact a Great God. Additionally, by perverting our perception of Him, when times get tough people can easily lose heart and walk away.

But this should not be the case! If our foundation in God is strong, when the storms of life come we will never doubt God's purpose in using events to mature and strengthen us.
