Family by God's Design is: A safe haven where family members esteem and honor one another and where words and actions communicate value and respect to everyone, young and old; A reliable sanctuary where each person receives grace, unconditional acceptance, and extravagant generosity with no strings attached; A place where each person finds that family is available, attentive, and emotionally connected to them; A community of celebration, laughter, and play; a safe haven where family members can let their hair down, reveal themselves fully, and know one another intimately. At its best, the family is a celebrating community of honor and grace. Family by God's Design delves into how the family reflects God's image and how you can shape your family in that image . . . an image of honor, grace, and celebration.
