Historia de la vida cotidiana en México: tomo IV. Bienes y vivencias. El siglo XIX (Spanish Edition)

Staples Anne (coord.)

Este cuarto volumen narra los cambios y vivencias del siglo XIX. Desligarse formalmente de España no provocó cambios inmediatos en la vestimenta ni en la comida y mucho menos en la mentalidad de los diversos sectores de la población. Pero, al poco tiempo, la cultura material se fue transformando. Las casas se construían de distinta manera, otros ingredientes hicieron su aparición en la cocina, la educación se volvió más utilitarista, la moral más laica, el culto religioso más de espacios privados. Bienes y vivencias antes desconocidos -la luz eléctrica o el transporte en tranvía- se volvieron comunes. Este recorrido por lo largo y ancho del país descubre rémoras del pasado junto a las últimas novedades.
