**Justice in Love (Emory University Studies in Law and Religion (EUSLR))** Nicholas Wolterstorff  
*Love and justice* have long been prominent themes in the moral culture of the West, yet they are often considered to be deeply at odds with one another. In this book acclaimed Christian philosopher Nicholas Wolterstorff argues that the commonly perceived tension between justice and love reveals something faulty in our understanding of each.

This paperback publication adds a new preface and Scripture index to the original hardcover edition. Building upon Wolterstorff's expansive discussion of justice in his magisterial *Justice: Rights and Wrongs* and thoughtfully engaging alternative views, this book focuses in profound ways on the complex yet ultimately harmonious *relation* between justice and love.
