Spenser and Biblical Poetics

Carol V. Kaske

Spenser and Biblical Poetics Carol V. Kaske

Carol V. Kaske examines how the form, no less than the theology, of Spenser's writings reveals the influence of the Bible and medieval and Renaissance Biblical hermeneutics. Her approach partakes of both the old historicism and the new.

Spenser and Biblical Poetics is the first comprehensive account of the contradictions and inconsistencies in Spenser's imagery--particularly in *The Faerie Queene*. These and his well-known contradictions in doctrine Kaske accepts and celebrates. She shows that Spenser challenges the reader with problems arising from his endorsement of both Protestant and Catholic traditions. She connects Spenser's contradictory style not only with such religious topics (for example, adiaphorism) but also with secular ones such as colonialism, the conflict between nature and culture, and the policies of the Queen. *Spenser and Biblical Poetics* makes an indispensable contribution to the history of reading in the Renaissance.
