Too Much Too Little Too Late: Part One of The Great Dane Saga Alp Mortal

Meet Dane Danois - the most fabulous gay man in the Universe ... in his own, never humble opinion. A man driven to live life to the full, and if there's a chance that he can help a friend along the way, he will. A sharp-suited, sharp-witted, sometimes reckless, sometimes dangerous, always intoxicating agent of change ... and loyal to a T. However, this exacting approach to life - and love - leaves him currently single, and maybe a little bored.

Too Much Too Little Too Late is the first of the six parts of the series called *The Great Dane Saga*. In this first part, Dane is back in London, touching base with friends and wreaking havoc in his latest job - exceeding the expectations of the client is his personal mantra. In meeting Angelo, the barista who works in the cafe next door to the office, Dane finds something he was not expecting - the possibility of a relationship ... So why then are the alarm bells ringing?

The Great Dane Saga charts the life of Dane Danois, and his many and varied friendships and relationships over the course of a 40 year period. The six parts of the story do not run in strict chronological order. That is because the story was never going to be a saga, but after I finished part one, it was clear that Dane was not going to shut up until I had written down everything he wanted to say - he was a poor narrator. Dane is neither wholly good nor wholly bad - he is just Dane - perfect in his imperfections.

The six parts of *The Great Dane Saga* originally appeared in 2013, in single volumes, and then in the compendium titled *All The World*. All volumes were removed from the shelf in 2014 for re-editing. The six individual volumes, and the compendium, will re-appear during the course of 2016.

I am always very happy to receive your feedback. If you wish to contact me directly, please email me at: alpmortal@hotmail.com.
