This Bible Encyclopedia contains 6,000 entries, and over 7,000 cross references. It is a complete dictionary of biblical terminology and also features many other areas of research not often covered in Bible encyclopedias.

Subjects include Bible versions, Denominations, Cults, Christian Movements, Typology, the Church, Social Issues and Practical Christian Living, Bible Prophecy, and Old English Terminology. A missionary told us that if he could save only one study book out of his library, it would be our Bible Encyclopedia. An evangelist in South Dakota wrote: "If I were going to the mission field and could carry only three books, [one of them would be] the Way of Life Bible Encyclopedia." Missionary author Jack Moorman says: "The encyclopedia is excellent. The entries show a "distilled spirituality."
