Blood Savages: A Blackguards Novel - Book 1 D. Alexander Ward

A failed paramilitary assault on a nest of vampires gives a group of monster hunters called the Blackguards a terrifying glimpse of how deadly the bloodsuckers really are. Now, hunted by the ones they failed to kill and on the run from the law, they're forced to puzzle together the mystery of a strange carcass from colonial times that their ruthless billionaire nemesis will stop at nothing to possess. With one of their own bitten and mutating into a deadly creature of the night, they race against time as they travel the back roads of the Carolinas in a desperate attempt to save her life. But their journey toward salvation will lead to darker places than they ever could have imagined. Blood Savages is the first novel in the Blackguards series about a misfit band of Southern heroes with extraordinary abilities. But these ain't your high-browed superheroes flying invisible jet planes, living in fancy mansions, and sporting glittery spandex getups. The Blackguards drink too much, they tote guns, they drive muscle cars and beat-up trucks. None of them can claim a squeaky clean past and some ain't even exactly human. But one thing's for certain; they'll stand against the denizens of the underworld and the corrupt men that seek to harness its dark powers, fighting the battles that no one else can. Because, down South, sometimes the heroes are the monsters.
