## **Face of the Screaming Werewolf** Ken Gage

This is the story of the voices in my head, of obsession with monster movies, of Satan's fall, of two lovers absorbed in a cinematic outing where their reality becomes unglued and messy, of my journeys through the Americas and the Polynesian Triangle. It includes sex, violence, dreams, Aztec mummies, gypsies, poetry, cannibal kings, confused androids, black magic, lagoon lurkers and werewolves -- the stuff of typical American literature." -- Ken Gage
