An exhaustive reference volume to the thousands of songs, songwriters and performers in 1,460 American and British films (musical and nonmusical) since the advent of the talkie in 1928. Listed alphabetically by film title, each entry provides full production information on the movie, including the country of origin, year of release, running time, director, musical director, musical score, studio, producer, orchestra or bands featured, music backup, vocalist, (dubber who sang on the soundtrack), and performers. Each song title in the main entry is followed by the name of the performer, lyricist, composer, and, when appropriate, arranger.
