Do you believe other gospels, contemporary with those in the Bible, ought to be heard? Do you question certain articles in the Apostles' Creed, such as the virgin birth and bodily resurrection? Do you believe other religions other than Christianity have validity? Do you accept that women have the right to be clergy? Is your personal relationship to God more important than believing what you are told to believe? Is your way of faith honestly seeking what is true for the world and God? Do you believe Christ's call was to a dynamic faith rather than to any system of beliefs? If you answered "yes" to a majority of these questions, you will find that the Gnostic Gospels support a different way to be Christian. These long lost, hidden, writings, as do the gospels in the Bible, lift up the power and love of Christ. This book explains how and why!
