[Mardukite Heritage Edition: A reissue of an otherwise cycled out-of-print edition kept available for review and posterity as part of the developmental legacy of the Mardukite Research Organization, founded 2008. A new edition of this material has since been released as: "Wizardry: The Magick of Merlyn Stone: A Complete Grimoire (15th Anniversary Edition)" -- separate listing.] Best known for the publication of the "Sorcerer's Handbook of Merlyn Stone" in 1998 (also available separately in its 13th Anniversary edition), several other less circulated underground publications were also released by the teenage prodigy, "Merlyn Stone" before disappearing from the occult scene in 2001. WIZARDRY includes not only the original cult classic "Sorcerer's Handbook of Merlyn Stone", a work that has seen thousands of copies reaching circulation, but also "The Lost Books of Merlyn Stone", returning attention to the original and rare in-house productions created for the Mystics of the Earth, Draconis Celtic Lodge of Druids, Elven Fellowship Circle of Magick and Order of the Crystal Dawn during the 1990's. For centuries, the realm of magick has been sought, and finally what the world awaited for has arrived; a book that tells it all without the unnecessary occult jargon allowing for the quickest personal results in training and development. Just a few of the many topics explored are ritual spellcraft, candle magick, ceremonial high magick, tarot divination, the magick of the Golden Dawn, the complete Enochian arts and yes, even the Necronomicon! With the reappearance of "Merlyn Stone" as Joshua Free, the Nabu of the modern "Mardukite" Anunnaki movement, there has been a resurgence of interest into the previous and 'forgotten' works that have led up to the now prolific literary career! This innovative experimental work from a young teenager did not reach the surface world in other forms and includes secret rites of initiation and methods of apprenticeship, illuminati magick and the practical use of energy in ways not typically observed in the conventional "New Age." Now you can master the powers of magick with a practical training program that has changed the world, launching hundreds of traditions in over a decade!
