**Never squint at small lyrics again!** The Third Edition of Big Print Songs includes *222 favorite songs* arranged in alphabetical order.

- Generous 20-point (big!) type.
- You can read it from the floor!
- Listen to every song for free on our web site.
- Background information, notes, history, and speed/jammability indicators for each song. (This simple system is explained in the book if you're not already familiar).

The songs in this book represent a wide range of traditional American roots music. There are slow songs, fast songs, ballads, hymns, fiddle tunes, all with their roots in the mountain music of Appalachia and other areas. Most are easy to learn and will work well in most jams, but we've thrown in some more challenging songs as well (but the storm cloud in the corner of the page will warn you about that).
