On what at first appears to be an ordinary day, everything changes for private banker Kayla Shaw when she barely escapes a brutal kidnapping attempt and finds herself accused of a shocking crime: the illegal laundering of hundreds of millions of dollars. Damned by lies and false "evidence," she is trapped with no place to run.

After five agonizing years, landscape painter Rand McCree has finally been offered what he desires most: the name of his twin brother's murderer. Hungry for vengeance, he accepts a job that will place him in the killer's orbit . . . and tantalizingly close to Kayla Shaw. The cold-blooded international criminal responsible for Rand's brother's death has targeted Kayla as his next victim—and only Rand can stop him from killing again.

Suspicious of each other, needing each other, they are two against the world as the violence of the past erupts in the present. And now innocence alone will not be enough to keep Kayla Shaw alive. . . .
